IHCP will mass adjust claims for discontinued HCPCS codes that paid inappropriately

The Indiana Health Coverage Programs (IHCP) has identified a claims processing issue that affects certain claims for discontinued Healthcare Common Procedure Coding System (HCPCS) codes. As announced in *IHCP Bulletin BT201621*, the IHCP discontinued several codes per the 2016 annual HCPCS update, effective for DOS on or after January 1, 2016. The claims processing system has been corrected. Claims for the codes in Table 1 that paid for DOS on or after January 1, 2016, will be mass adjusted. Providers should see the adjusted claims on Remittance Advices (RAs) beginning June 14, 2016, with internal control numbers (ICNs) that begin with 56 (mass adjusted). If a claim was
