Subject: Changes to the $600 Dental Cap

Overview

This bulletin announces a change in the $600 dental cap for adult services. To separate surgical and periodontal services from the $600 cap for adult dental services, the Office of Medicaid Policy and Planning (OMPP), working with the Dental Advisory Panel (DAP) and the Indiana Dental Association (IDA), agreed to the changes published in this bulletin. These changes require an update to the Indiana Administrative Code (IAC) rule. A copy of the revised dental rule 405 IAC 5-14 is attached to this bulletin. The following codes will be limited or end-dated, effective June 1, 2003.
