## Correction regarding *HIP State Plan – Basic* copayments for dental services

The *Indiana Health Coverage Programs (IHCP) Bulletin* [BT201508](#) released February 5, 2015, incorrectly states how copayments will be assessed for dental services under the *HIP State Plan – Basic* option. In error, *BT201508* states that *HIP State Plan – Basic* members are subject to a \$4 outpatient copay **per date of service (DOS)**.

The assessment of copayments for dental services under *HIP State Plan – Basic* is corrected as follows: *HIP State Plan – Basic* members are subject to a \$4 outpatient copay **per service**. If more than one service is rendered on a single DOS, a copayment will be assessed for each service. Further, providers are reminded that preventive services, such as routine cleanings, are exempt from copayment requirements.
