INDIANA HEALTH COVERAGE PROGRAMS    BT201513    MARCH 2, 2015

## IHCP announces changes to Hospital Presumptive Eligibility

Effective April 1, 2015, psychiatric hospitals enrolled under type 01, specialty 011 will be eligible to enroll as qualified providers (QPs) under the Indiana Health Coverage Programs (IHCP) Hospital Presumptive Eligibility (HPE) process.

To participate as a QP for HPE, a hospital must:

- Participate as a provider under the Indiana State Plan or under a demonstration program under Section 1115 of the *Social Security Act*.
- Notify the Family and Social Services Administration (FSSA) of the provider's intention to make HPE determinations.
- Agree to make HPE determinations consistent with state policies and procedures.
- Guide individuals in the process of completing and submitting the *Indiana Application for Health Coverage* paperwork to the FSSA.
- Complete and submit HPE QP eligibility attestations through the HPE enrollment process on Web interChange.
- Complete Web interChange training.
- Participate in HPE training.

Psychiatric hospitals that wish to participate in the HPE process should review information presented in [IHCP Bulletin BT201357](#) to learn more about the process and how to become a qualified provider.
