## Update: Nursing facility rate reduction extended

As previously published in *Indiana Health Coverage Programs (IHCP) Bulletin BT201437*, the IHCP implemented a 3% reduction in reimbursement paid to nursing facilities effective January 1, 2014, through June 30, 2015. **This reimbursement reduction will be extended through June 30, 2017.**

This reduction will apply to nursing facility providers reimbursed under 405 IAC 1-14.6. The reduction applies to the Medicaid *per diem* rate before any patient liability or third-party liability (TPL) reduction is applied to the claim. This reduction applies to all IHCP nursing facility claims, including Medicare crossover claims.

The July 1, 2015, proposed rates, with the 3% reduction, are currently available on the [Public Notices](#) page of the State's rate-setting contractor, Myers and Stauffer LC, at [in.mslc.com](http://in.mslc.com).

Providers can see *IHCP Bulletin BT201437* for information about the original rate reduction.
