## CMS announces new provider enrollment application fee for 2016

On December 3, 2015, the Centers for Medicare & Medicaid Services (CMS) announced that the provider enrollment application fee will change for 2016. Effective January 1, 2016, Indiana Health Coverage Programs (IHCP) providers subject to the application fee will be required to pay an enrollment application fee of \$554.

In addition, effective January 1, 2016, providers subject to the application fee will be required to pay the fee at the time of enrollment revalidation as well. Revalidation paperwork received after January 1, 2016, that does not include an application fee payment cannot be accepted and will be returned.
