Additional information for the 2019 annual HCPCS codes update

The Indiana Health Coverage Programs (IHCP) previously announced coverage and billing information for new codes for the 2019 Healthcare Common Procedure Coding System (HCPCS) update in *IHCP Bulletins* [BT201866](#) and [BT201908](#). The IHCP is publishing additional information related to this annual HCPCS update.

Newly covered HCPCS codes published in *BT201866* for hearing aids may now be billed by audiologists (provider specialty 200). Providers may submit, resubmit, or adjust fee-for-service (FFS) claims affected by this update for dates of service (DOS) on or after **January 1, 2019**. These codes will be added to the *Hearing Services Codes* for the audiologist code set, accessible from the [Code Sets](#) page at in.gov/medicaid/providers.

These codes were also added to the hearing aid dealer (provider specialty 220) and durable and medical equipment (DME) provider (provider specialty 250) code sets as announced in *BT201866*.
