FSSA suspends development on the EnCred system

Effective immediately, the Indiana Family and Social Services Administration (FSSA) is suspending development on the FSSA Enrollment and Credentialing (EnCred) system. The agency will take time over the next few months to identify next steps and a path forward. The FSSA remains committed to delivering on the requirements of *House*

Enrolled Act 1007-2018, which mandates a centralized credentialing process. The agency's work to this point will help us deliver on that commitment and inform the direction we take. Future updates will be provided. The EnCred session for the Summer 2019 IHCP Provider Workshops will be removed from the schedule.
