INDIANA HEALTH COVERAGE PROGRAMS BT202026 MARCH 24, 2020

New transportation provider specialty to include nursing homes as transportation providers

Effective April 2, 2020, the Indiana Health Coverage Programs (IHCP) will expand its list of eligible transportation providers to include nursing home transportation. This new provider specialty will allow a nursing home transportation provider to enroll as an IHCP provider. Nursing home transportation providers will be classified using the following provider type and specialty codes: Provider type 26 – *Transportation Provider* and provider specialty 268 – *Nursing Home Transportation*.

To enroll with the IHCP under the new provider specialty, the nursing home transportation provider must have the following:

- Copy of Motor Carrier Services certificate from the Indiana Department of Revenue (DOR) if for-profit
- Copy of not-for-profit status from the Internal Revenue Service (IRS) if not-for-profit
- Valid driver's license for all drivers
- Proof of insurance
- Completed Provider Agreement
- W-9 form
- Federal Employer Identification Number (FEIN)
- Surety bond based on the user's answers to surety bond questionnaire
 - Users will need to upload a copy of a surety bond waiver request based on responses to predefined surety bond questions.

A National Provider Identifier (NPI) and application fee will not be required.

Transportation providers with a Nursing Home Transportation specialty (provider type 26/provider specialty 268) can only enroll as a billing provider.

Provider specialty 268 is a stand-alone specialty that cannot be added with any other specialty.

In addition to enrolling with the IHCP, nursing home transportation providers must contract with one or more of the nonemergency transportation (NEMT) transportation brokers:

- To transport Medicaid members enrolled in Traditional Medicaid fee-for-service (FFS), contact Southeastrans at (317) 613-0827.
- To transport Medicaid members enrolled in managed care, contact the managed care entity (MCE) to coordinate with the appropriate broker.
