IHCP COVID-19 Response: Reimbursement updates for 86328 and 86769

The Indiana Health Coverage Programs (IHCP) has identified pricing information from the Centers for Medicare & Medicaid Services (CMS) and has made updates accordingly. The updates affect Healthcare Common Procedure Coding System (HCPCS) codes listed in Table 1, which presents reimbursement information that differs from the information previously published in *IHCP Bulletin* [BT202057](#).

These reimbursement changes will be effective for dates of service (DOS) on or after May 19, 2020.

Providers may void and replace claims that previously paid for procedure codes 86328 or 86769 to obtain the updated rates. Claims resubmitted beyond the timely filing limit (180 days) must include a copy of this bulletin as an attachment.
