IHCP announces update to transportation policy for minors

The Indiana Health Coverage Programs (IHCP) will update its transportation policy for minors needing an accompanying adult. The IHCP will update to align with the vendor transportation contract.

Effective July 2, 2020, members under the age of 16 must have an accompanying adult with them to be transported to a medical service. This is an update from the previous policy that mandated members under 18 must have an accompanying adult when being transported to a medical service.
