## 2022 IHCP Roadshow to be held May 4 and 5

The Indiana Health Coverage Programs (IHCP) will host the 2022 IHCP Roadshow – a free, virtual event – on May 4 and 5, 2022.

On May 4, the Office of Medicaid Policy and Planning (OMPP), Gainwell Technologies and each managed care entity (MCE) will give a presentation highlighting new policies, programs and additional updates. The same presentations will be repeated on May 5. There will be time for questions at the end of each presentation. Providers may choose to attend sessions on either day. See Table 1 for session details.

Providers may register for the 2022 IHCP Roadshow, starting now through April 30, using the [Workshop Registration Tool](#), accessible from the IHCP provider website at [in.gov/medicaid/providers](http://in.gov/medicaid/providers). For detailed instructions on using this tool, see the [Workshop Registration Tool Quick Reference Guide](#). A single registration is all that is required, whether attending one or both days, in whole or in part.

On each day of the IHCP Roadshow, providers will be able to access the sessions through AdobeConnect, using a link that will be posted to the [2022 IHCP Roadshow](#) page at [in.gov/medicaid/providers](http://in.gov/medicaid/providers). PDFs for each presentation will also be available on the same webpage in advance of the event.
