## IHCP announces second round of provider engagement sessions for HCBS LTSS providers

The Indiana Family and Social Services Administration (FSSA) is partnering with ADvancing States to offer its second round of provider engagement sessions in anticipation of the upcoming transition to managed long-term services and supports (LTSS). ADvancing States will host three in-person provider engagement sessions for Home- and Community-Based Services (HCBS) Aged and Disabled (A&D) Waiver providers preparing to partner with health plans to deliver LTSS in 2024.

These in-person sessions will be used for providers to share feedback to improve access and quality of services for older adults and their caregivers and as an opportunity for providers to hear more about Indiana's managed care implementation. See Table 1 for the session schedule and locations. Each session will include time for Q&A.
