## PROVIDER CODE TABLES

### Procedure Codes That Require National Drug Codes (NDCs)

*Note: Due to possible changes in Indiana Health Coverage Programs (IHCP) policy or national coding updates, inclusion of a code on the code tables does not necessarily indicate **current** coverage. See [IHCP Banner Pages and Bulletins](#) and the [IHCP Fee Schedules](#) for updates to coding, coverage, and benefit information.*

*For information about using this code table, see the [Claim Submission and Processing](#) provider reference module.*
