

SPECIAL INFORMATION

BR200443A

OCTOBER 19, 2004

To All Indiana Hospital Providers:

- Based upon input from the Indiana Hospital and Health Association and the Indiana Council of Community Mental Health Centers the psychiatric LOC per diem and neonate inpatient DRG changes, which were scheduled to become effective 11/1/2004 as set out in Provider Bulletin BT200420, have been modified. The psychiatric LOC per diem will not decrease. It will remain at the current rate of \$408.50. Thus, the neonate DRG weights, which had been increased in proportion to the psychiatric LOC rate adjustment, have been modified, effective 11/1/2004, to reflect the changes supported by both Associations. The adjusted neonate DRG weights are listed below:
