DECEMBER 28, 2004

To All Pharmacy Providers:

Note: The information in this banner page article is not directed to those providers rendering services in the risk-based managed care (RBMC) delivery system

- The OMPP received notice on December 15, 2004, that Centers for Medicare & Medicaid Services (CMS) issued a Medicaid Drug Rebate Program communication, dated December 10, 2004, requiring that states cease payment effective January 1, 2005, for certain National Drug Code (NDC). The listing of those NDCs is included in this banner page notification. CMS advised in the communication that the NDCs were being deleted because they had "not been properly listed with the FDA". Medicaid payment will not be available for these NDCs for dates of service of January 1, 2005, and later. The OMPP sincerely regrets its inability to provide more timely notice to providers of this federal action.
