Outpatient Claims Reprocessing – Revenue Code 636, HCPCS P9045 – P9047

The Indiana Health Coverage Programs (IHCP) is performing a systematic mass adjustment of outpatient claims billed with revenue code 636 and Healthcare Common Procedure Coding System (HCPCS) codes P9045 – P9047 that previously denied for edit 0520 – *Invalid revenue code/procedure code combination*, with dates of service on or after January 1, 2005. The mass adjustment will appear on the remittance advice (RA) dated June 5, 2007. Providers who have claims for this revenue code and procedure code combination that have not been submitted for processing, should submit their claims for payment consideration. Providers who have claims for this revenue code and procedure code combination that are past the one-year filing limit, can submit a copy of this banner page article as documentation to waive the filing limit.

Third-Party Liability Medicare Part B Disallowance Project

Effective May 23, 2007, Medicaid cannot directly bill Medicare Part B carriers for claims paid by Medicaid. As a result, billing third-party liability (TPL) claims through the provider of service is the only viable method of retro-recovery by Medicaid. Beginning in late May 2007, Health Management Systems (HMS) will work with EDS to carry out a Medicare Part B Disallowance project. HMS has identified Medicaid paid claims where the member had Medicare Part B coverage at the time the Medicaid claim was paid. HMS will send a listing of these identified claims to the affected providers with instructions asking providers to bill the Medicare carriers for the identified claims. Providers are asked to report to HMS within 60 days of receipt of the claims listing, and provide HMS with information about which claims are paid by Medicare and which are denied.

If any refunds are due to the IHCP because of Medicare payments received by the provider, EDS will process adjustments to the claims. Then, the amount of the overpayment will be recouped from the providers' future IHCP payments.

EDS and HMS are committed to working with providers to ensure that the transition to a disallowance process for Medicare Part B claims causes the providers as little inconvenience as possible. Please direct questions about this project to HMS Provider Relations at (877) 264-4854.
