## Implementation schedule for Smart PA™

Indiana Health Coverage Programs (IHCP) provider bulletin [BT200927](#), dated August 24, 2009, and banner page [BR200939](#), dated September 29, 2009, notified providers of the implementation of an automated pharmacy prior authorization (PA) system known as Smart PA™. The implementation schedule and the link to the prior authorization criteria for the Smart PA™ rules are below. The Office of Medicaid Policy and Planning (OMPP) will continue to provide implementation schedules and PA criteria via HP provider bulletins and banner pages as the rules are approved

by the Drug Utilization Review (DUR) Board.

The table below shows the implementation schedule for Smart PA™.

### Implementation schedule for Smart PA™

Name of Indiana Smart PA™ Rule*	Implementation Date	Text Message for Claim Denial
Chantix	June 1, 2010	CHANTIX_CALL_8668790106

\* If applicable, the HP edits will be turned off with the implementation of the corresponding Smart PA™ rule.

### Prior authorization criteria

The PA criteria for each Smart PA™ rule above can be found at <http://www.indianapbm.com/automatedrxpa.htm>.

### Existing prior authorizations

Existing pharmacy PAs will be honored through their expiration dates.

### Contact information

For pharmacy PA requests and Preferred Drug List inquiries, contact Affiliated Computer Services (ACS) at 1-866-879-0106. For pharmacy claims processing inquiries, contact HP at 1-800-577-1278 or (317) 655-3240, option 1 for pharmacy.

## Updates to FQHC and RHC encounter codes

Effective January 1, 2010, the Current Procedural Terminology (CPT<sup>®1</sup>) and Healthcare Common Procedure Coding System (HCPCS) codes shown in the table below were added as valid Federally Qualified Health Center (FQHC) and Rural Health Clinic (RHC) encounter codes for dates of service on or after January 1, 2010. FQHC and RHC providers that have billed and received denials for these codes for claims with dates of service on or after January 1, 2010, should resubmit those claims.

### Encounter codes added

21011	21012	21013	21014	21552	21554	21931	21932	21933
22902	22903	23071	23073	24071	24073	25071	25073	26111
27043	27045	27337	27339	27632	27634	28039	28041	29581

### The IHCP now covers procedure code D0277 – vertical bitewings

Effective immediately, dental procedure code D0277 – *Vertical Bitewings 7 to 8 views* is covered. The procedure is covered with effective dates of service September 16, 2007, and after. If you have claims that have denied for this procedure, you may now refile the claims. If your claim is past filing limit, please use this banner as documentation to waive the filing limit.

### April workshops for dental, home health, and hospice providers

Provider Relations has scheduled regional workshops for home health, hospice, and dental providers in East Chicago (April 15) and Fort Wayne (April 21). The morning session focuses on home health and hospice education, and the afternoon session will be information for the dental provider community.
