## The IHCP offers second-quarter provider workshops

The IHCP is offering quarterly provider workshops free of charge. Sessions about IHCP updates, Medicare-related institutional claim filing, and CMS-1500 billing methodology (replacements and crossovers) are scheduled for the morning; afternoon sessions include IHCP 101: The Office Staff Guide to Understanding the Indiana Health Coverage Programs, managed care and Healthy Indiana Plan updates, and *Care Select* care management organization updates.

The schedule allows for lunch; however, lunch is not provided. Registrations are processed in the order received, and registration does not guarantee a spot at the workshop – seating is limited in all locations, and only two registrants are allowed per provider number. Confirmation letters are sent upon receipt of registrations. If you do not receive a confirmation letter, the workshop is full.
