Valid codes to bill with revenue code 490

The Indiana Health Coverage Programs (IHCP) has reviewed revenue code 490 – *Ambulatory Surgical Center* and identified the procedure codes listed below as valid codes to bill with revenue code 490. If you billed these codes with dates of service on or after January 1, 2010, and received denials with explanation of benefits (EOB) 0520 – *Invalid Revenue/Procedure Code Combination*, you can re-file your denied claims, or adjust claims with a denied detail, for reimbursement consideration. HP will not mass adjust or re-process claims that denied for this edit.

Valid revenue/procedure code combinations effective January 1, 2010

Procedure Code	Description
14301	Adjacent tissue transfer or rearrangement, any area defect
14302	Adjacent tissue transfer or rearrangement, any area ea additional
21012	Excision, tumor, soft tissue of face or scalp, subcutaneous; 2cm or greater

Third-quarter workshop topics include HCBS waiver services, IHCP updates

Home and Community-Based Services waiver services and IHCP updates head the list of topics featured in the IHCP third-quarter provider workshops. Other topics include provider enrollment, updating your provider information, Early and Periodic Screening, Diagnosis, and Treatment (EPSDT), Indiana *Care Select* PA, and MCOs in 2011. For workshop descriptions, dates, locations, and registration deadlines, visit www.indianamedicaid.com. To register, [click here](#). If you have questions about a workshop, please contact a field consultant at (317) 488-5072.

The new IHCP provider Web site offers information about billing, eligibility verification, prior authorization (PA), IHCP's provider education programs, and much more.

Did you know... The new Web site makes it easier to do business with Medicaid

The newly revamped IHCP Web site, which rolled out July 1, offers extensive information about billing, eligibility verification, prior authorization (PA), IHCP's provider education programs, and much more. If you have a question about doing business with Medicaid, navigate to the [revamped Web site](#) today and check it out. Even if you know all there is to know about Indiana Medicaid, make yourself at home on the new Web site – you never know when you might discover a helpful tip.

Workshops for community health centers

Provider Relations is presenting regional workshops for community health center providers in July. Providers may choose any of the following dates to attend.

Date and time	Location
July 26, 2010, 1 – 3 p.m.	St. Catherine's Hospital Professional Office Building, Conference Room, 4321 Fir Street, East Chicago, IN 46312
July 27, 2010, 9 – 11 a.m.	Indiana University School of Dentistry, Room DS 114, 1121 W. Michigan Street, Indianapolis, IN 46202-5186
July 29, 2010, 10 a.m. – noon	Paoli Medical Arts Building, Education Classroom, 488 W. Hospital Road, Paoli, IN 47454

This is an excellent opportunity to become more familiar with Medicaid community health center billing policies, procedures, tools, and methodology. The agenda includes: ■ Service coverage and definition ■ Eligibility verification ■ Billing procedures ■ *Care Select*, third-party liability (TPL), risk-based managed care (RBMC), and Healthy Indiana Plan (HIP) considerations ■ Top denials for community health center claims. To register for the community health center workshop, [click here](#).
