INDIANA HEALTH COVERAGE PROGRAMS

BR201033

AUGUST 17, 2010

Sign up now for third-quarter workshops

The IHCP offers quarterly provider workshops free of charge. Sessions offered this quarter include:

- Provider enrollment – When was the last time you tried to complete a form to update your provider information? Was it confusing? Join us as we explore the main functions of the Provider Enrollment Unit.
- Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) – This session familiarizes primary care providers with the EPSDT program, its higher reimbursement structure, program-specific billing requirements, and program goals for targeted children.
- Home and Community-Based Services waiver services
- Indiana Health Coverage Programs (IHCP) updates
- MCOs today: Preparing for 2011 – This session provides information about the current structure of the managed care organizations (MCOs) – Anthem, MDwise, and Managed Health Services (MHS) – and the Healthy Indiana Plan (HIP), and how you can plan for 2011.

Visit the IHCP Web site for more [workshop descriptions, dates, locations, and registration deadlines](#). You may also [register online](#). If you have questions about a workshop, please contact a field consultant at (317) 488-5072.
