INDIANA HEALTH COVERAGE PROGRAMS BR201133 AUGUST 16, 2011

Update regarding coverage of HCPCS codes A4253 U1 and E0607 U1

Per [BT201055](#), published November 30, 2010, the Indiana Health Coverage Programs (IHCP) covers Healthcare Common Procedure Coding System (HCPCS) codes A4253 U1 – *Blood glucose test or reagent strips for home glucose monitor, per 50 strips* and E0607 U1 – *Home blood glucose monitor* effective January 1, 2011.

HP has corrected its claim processing system to allow providers with Provider Specialty 250 – *DME/Medical supply dealers* to bill A4253 U1 and E0607 U1 for claims with dates of service on or after January 1, 2011.

If you are a provider with Provider Specialty 250, and you billed claims with procedure code E0607 U1 during this period that were denied for error 1012 – *Rendering provider specialty not eligible to render procedure code*, please resubmit your claims.

Claims billed with procedure code A4253 U1 that were billed by providers with Provider Specialty 250 during this time period and denied for error 1012 – *Rendering provider specialty not eligible to render procedure code* will be reprocessed and mass adjusted.
