A system error resulted in incorrectly paid Individualized Education Program (IEP) transportation mileage claims billed by provider specialty 120 – *School Corporations* with dates of service (DOS) from July 1, 2010, through December 26, 2012, inclusive. These claims incorrectly reimbursed all mileage billed without subtracting the first 10 miles per IHCP reimbursement policy. As stated in [IHCP Provider Manual Chapter 8](#), Section 4, in the *Transportation Services: Mileage* subsection, “Although the IHCP automatically deducts the first 10 miles of a CAS [common ambulatory services] or NAS [nonambulatory services] trip from each one-way trip, CAS and NAS providers must bill for all mileage (including the first 10 miles) to ensure proper reimbursement. For trips less than 10 miles, the IHCP does not require the provider to bill mileage; however, if the provider does bill mileage, the IHCP processes the mileage as a denied line item.”

The system error has been corrected and all claims with DOS on or after December 27, 2012, will reimburse according to policy. Transportation mileage claims billed by provider specialty 120 – *School Corporations* with DOS from July 1, 2010,
