## **IHCP PBM transition to Catamaran Corporation affects web-based pharmacy resources**

Effective May 24, 2013, Catamaran Corporation will serve as the new Pharmacy Benefit Manager (PBM) and pharmacy claims processor for the Indiana Health Coverage Programs (IHCP). The transition will result in location changes for web-based pharmacy information. Some pharmacy links on indianamedicaid.com, including those in News & Announcements items, bulletins, banner pages, and newsletters, will not work. In addition, if you have bookmarked frequently used pharmacy reference materials on the website, those bookmarks may no longer work.

New and archived pharmacy information will continue to be available through indianamedicaid.com during and after the transition. Effective May 24, 2013, most pharmacy information will be consolidated and accessible via the [Pharmacy Services](#) quick link at indianamedicaid.com. Users can reestablish bookmarks from the new pharmacy web pages. [Chapter 9 – IHCP Pharmacy Services Benefit of the IHCP Provider Manual](#) will continue to be accessible from the [Manuals](#) page at indianamedicaid.com. For ease of reference, all pharmacy-related content, some of which was previously included in other chapters of the manual, will appear in Chapter 9 effective with this transition.

## Removal of gender restriction on CPT code J0178

Effective July 1, 2013, the Indiana Health Coverage Programs (IHCP) will remove the gender restriction, limiting coverage to females only, on Current Procedural Terminology (CPT<sup>®1</sup>) code J0178 -*Injection, Aflibercept, 1mg*. Removal of the restriction is retroactive to dates of service (DOS) on or after January 1, 2013. Providers that received denials for J0178 with error code 4035 – *Procedure Code vs Sex Restriction* for the affected DOS may resubmit those claims for reimbursement consideration.
