Eligible Professionals may attest to meaningful use for EHR Program Year 2014 beginning April 17, 2014

Indiana will begin accepting Program Year 2014 meaningful use (MU) attestations for Eligible Professionals (EPs) April 17, 2014. The Medical Assistance Provider Incentive Repository (MAPIR) is scheduled to be upgraded to comply with Program Year 2014 changes, and this upgrade will be completed by April 17, 2014. To ensure that the upgrade has been completed, please do not submit your attestation until April 17, 2014, or later. **Any EP Program Year 2014 attestation started in MAPIR before the upgrade is complete will be aborted and will have to be restarted after the system upgrade.** Please note that for meaningful use, all Indiana Health Coverage Programs (IHCP) providers will have a 90-day reporting period within the calendar year for Program Year 2014.

For additional information, please contact the Indiana EHR help desk at 1-855-856-9563, or send your inquiries to MedicaidHealthIT@fssa.in.gov.
