IHCP announces the IEP-related nursing services rate for calendar year 2016

The Indiana Health Coverage Programs (IHCP) provides coverage for nursing services rendered by a registered nurse (RN) employed by or under contract with an IHCP-enrolled school corporation provider. Covered services must be medically necessary, as ordered by a physician, and provided in accordance with an IHCP-enrolled student's Individualized Education Plan (IEP). Pursuant to the Indiana Medicaid State Plan, the annual reimbursement rate for Current Procedural Terminology (CPT^{®1}) code 99600 TD TM – *IEP-related nursing services* is calculated based on the most recent home health cost reports that were required from all home health providers billing the IHCP for services.

For dates of service from January 1, 2016, through December 31, 2016, inclusive, the maximum reimbursement rate for CPT code 99600 TD TM is \$10.87 per 15 minutes. Coverage policy and billing instructions published in [Chapter 8](#) of the *IHCP Provider Manual* remain the same. This pricing change will be reflected in the January 2016 update to the [Fee Schedule](#) at indianamedicaid.com.
