INDIANA HEALTH COVERAGE PROGRAMS

BR201609

MARCH 1, 2016

IHCP creates separate Hearing Aid Dealer and Audiologist code sets

Effective April 1, 2016, the Indiana Health Coverage Programs (IHCP) will separate the current *Hearing Services Code Set* into two code set tables – one for hearing aid dealers and one for audiologists. The *Hearing Aid Dealers Code Set* ([Table 1](#)) will list the covered procedure codes billable by provider specialty 220. The *Audiologist Code Set* ([Table 2](#)) will list the covered procedure codes billable by provider specialty 200. The procedure codes in both code sets will be updated to reflect current IHCP policy. This change applies to dates of service (DOS) on and after April 1, 2016. The new code sets are included in this banner as attachments and will be posted to the Code Sets page at indianamedicaid.com in the next monthly update.
