JANUARY 10, 2017

IHCP to revise rates for select clinical laboratory services based on 2017 Medicare rates

Pursuant to *Section 1903(i)(7)* of the *Social Security Act*, Medicaid reimbursement for individual clinical laboratory procedures cannot exceed the Medicare rate of reimbursement. Therefore, in accordance with the clinical laboratory reimbursement methodology set out in *405 IAC 5-18-1* and in the approved Indiana Medicaid State Plan (Attachment 4.19B, page 1c), the Indiana Health Coverage Programs (IHCP) will adopt the 2017 Medicare rates for any clinical laboratory procedure code for which the IHCP's current reimbursement rate exceeds the 2017 Medicare rate. These rate changes will be effective retroactively for dates of service on or after January 1, 2017, and will be reflected on the IHCP [Fee Schedule](#) at indianamedicaid.com.

The [2017 Medicare Clinical Laboratory Fee Schedule](#) is available on the Centers for Medicare & Medicaid Services (CMS) website at cms.gov.
