Providers and Prescribing Practitioners**

**Subject: Update to State MAC Fee Schedule for Legend Drugs**

*Note: The information in this bulletin is not directed to those providers rendering services in the risk-based managed care (RBMC) delivery system.*

## Overview

This bulletin advises Indiana Health Coverage Programs (IHCP) providers that effective February 14, 2005, the State Maximum Allowable Cost (State MAC) fee schedule for legend drugs will be adjusted as indicated in the tables in this bulletin. Table 1 contains the complete fee schedule, including several new drugs, and Table 2 contains a list of drugs that have been removed from the fee schedule.

Please note that while Myers and Stauffer will aggressively monitor marketplace changes (such as, drug availability and cost changes), providers that experience product availability problems, drug shortages, or any other condition that may impact their ability to purchase a drug on the State MAC list should immediately contact the Myers and Stauffer Pharmacy Help Desk at (317) 846-9521 in the Indianapolis local area or 1-800-591-1183, from 8 a.m. to 5 p.m. Monday through Friday. Inquiries to the help desk may also be made by e-mail to [pharmacy@mslc.com](mailto:pharmacy@mslc.com)

Please also note that the fee schedule is updated periodically. Updates are generally communicated with your remittance advice statements on the *Important Information* or *Banner Page* insert. Providers may access the current State MAC fee schedule, as well as any updated rates, in downloadable format on the Internet at <http://www.mslcindy.com/pharmacy/>.

Please direct questions about this bulletin and other information about the State MAC program, including product availability, State MAC rates, or other related aspects, to the Myers and Stauffer Pharmacy Help Desk at the telephone numbers listed above.
