To: All Providers**Subject: 2007 Indiana Health Coverage Programs Provider Seminar****Overview**

The Office of Medicaid Policy and Planning (OMPP), the Children's Health Insurance Program (CHIP), and EDS invite Indiana Health Coverage Programs (IHCP) providers to attend the **2007 IHCP Provider Seminar October 22 to 24, 2007**. There is no cost for the seminar.

Seminar sessions are offered at various times during the three-day event. EDS provider field consultants and representatives from AmeriChoice, Health Care Excel (HCE), provider associations, other EDS departments, and managed care organizations (MCOs) will be present.

The seminar will be held at the following location:

Indianapolis Marriott East
7202 E. 21st St.
Indianapolis, IN 46219
1-800-228-9290 (for hotel reservations only)
317-352-1231 (for hotel information only)

Important: Please do not call the hotel to register for seminar sessions.

To receive the special rate of \$89 plus tax, per night, seminar attendees must indicate they are attending the EDS 2007 IHCP Provider Seminar and must reserve on or before October 12, 2007.

Registration

Web registration is available. Providers may register for the 2007 IHCP Provider Seminar online from the IHCP Web site at <http://www.indianamedicaid.com>. To access online registration, select **Provider Services, Education Opportunities, Workshop Registration**. The registration page provides instructions, including the *Workshop Registration Tool Quick Reference*. Those who register online receive immediate enrollment confirmation. **Bring your confirmation page to the seminar and present it at the EDS registration table.**

In addition to online registration, registrants may enroll in seminar sessions using the paper registration form contained with this bulletin. **The deadline for paper registration forms is October 5, 2007.** Registrations may be faxed or mailed. Registrations sent by mail must be postmarked no later than October 5, 2007. The IHCP will not accept registrations postmarked after October 5, 2007. **Only two individuals will be allowed to register per IHCP legacy provider number. Providers who are not enrolled with the IHCP may also register for the seminar. Each registrant must submit his or her own registration form (only one name per form).** Individuals can also register in person at the

seminar walk-in table. Walk-in registration is not recommended; registrants are permitted to attend sessions on a space-available basis only.

Paper registration forms are accepted in the order received. Once processed, a confirmation letter will be mailed to the registrant. This letter confirms that the registrant was either successfully registered for at least one session or was denied for one or more sessions due to seating capacity. Each registrant is encouraged to bring the confirmation letter to the seminar registration table to alleviate possible discrepancies.

Registered individuals must check in no later than five minutes before the start of their assigned sessions or their seats could be reassigned. Walk-in registration for those not pre-registered begins five minutes before the start of each session. Failure to pre-register may result in sessions not being available due to space limitation. If there are any questions, please call EDS at 317-488-5072. Calls will be returned within 48 hours.

For comfort, business casual attire is recommended. Consider bringing a sweater due to possible room temperature variations.

Seminar Session Descriptions

To register, registrants must specify the seminar sessions they want to attend. Table 1 provides a description of the material to be covered in each of the seminar sessions, and Table 2 provides the session schedule.

Table 1 – Session Descriptions

Session Name	Description
Adjustments Presented by EDS provider field consultants	This session provides step-by-step instructions for completing the paper Adjustment Request Form. Electronic voids and replacements will also be highlighted. This session is ideal for those who submit adjustments via paper and via electronic submission.
Avenues of Resolution Presented by EDS provider field consultants	This session provides information to assist providers in determining the correct person or unit to call or write regarding program administration and claims processing procedures as they relate to the IHCP.
CAR/SUR Presented by representatives from the Surveillance and Utilization Review department	This session is designed to educate providers about the auditing efforts made by the OMPP through the Surveillance and Utilization Program and the Payment Integrity Initiative. This session focuses on the policies and procedures of auditing activities and provides information on standard guidelines and procedures developed to report findings.
Care Select Presented by EDS provider field consultants	This session provides an overview of the care management delivery system known as Care Select. Topics will include the phase-in schedule, population served, and functions performed by the approved Care Select vendors.
CMS-1500 Physician Billing Presented by EDS provider field consultants and representatives from each MCO	This session provides instructions for the completion of the new CMS-1500 claim form and an overview of billing guidelines. There will be time to address general questions from the audience. An EDS provider field consultant will lead the opening session. Each MCO will present a one-hour individual session that will include information about its claim and prior authorization (PA) requirements. See the session layout for specific dates and times.
CMS-1500 Roundtable Facilitated by EDS provider field consultants and representatives from each MCO	This session is a question-and-answer opportunity for providers who submit claims on the CMS-1500 claim form.
Common Claim Denial Reasons and Resolutions Presented by EDS provider field consultants	This session provides an overview of common claim denials for various provider types. Specific focus will highlight the reasons the errors occur and ways to prevent them from recurring.
Dental Presented by EDS provider field consultants	This session provides an overview of IHCP dental policy and includes instructions for completing the ADA 2006 Dental Claim Form.
Durable Medical Equipment (DME) Presented by EDS field consultants and representatives from each MCO	This session provides an overview of recent updates and recurring topics related to DME policy and billing guidelines. This session also reviews the most common claim denial reasons. An EDS provider field consultant will lead the opening session, and each MCO will present a one-hour individual session related to its specific DME policy and billing guidelines. See the session layout for specific dates and times.

Table 1 – Session Descriptions

Session Name	Description
Early Periodic Screening and Diagnostic Treatment (EPSDT) Presented by EDS provider field consultants	This session identifies the components of an EPSDT well child exam and common types of referrals. It also provides an update on blood lead testing and immunizations. This session is ideal for all providers, from pediatricians to Federally Qualified Health Centers (FQHCs) that provide healthcare services to children and young adults under age 21.
First Steps Presented by EDS provider field consultants	This session provides instructions on enrolling and credentialing. The session also provides instructions on how to submit claims, read a remittance advice, and review prior authorizations online.
How To Read Your Remittance Advice (RA) Presented by EDS provider field consultants	This session provides an overview of how to use and understand the remittance advice, including adjustment reason codes (ARCs), explanation of benefits (EOB) codes, payment calculations, accounts receivables, and electronic funds transfer (EFT) information.
IHCP 101 Presented by EDS provider field consultants	This session provides an overview of the IHCP, eligibility verification systems, Restricted Card Program, managed care, and more. This session is ideal for new IHCP billing providers or those needing an IHCP refresher course.
Medical Policy Presented by Medical Policy Department representatives	This session is designed to educate providers on the processes, procedures, and coordination techniques used for the development and revision of medical policy for the IHCP. The status and implementation of certain provider specialty code sets are addressed during this session.
Medical Review Team (MRT) Presented by EDS provider field consultants	This session provides an overview of the billing requirements for MRT claims. This session reviews frequent billing errors and addresses provider questions.
Mental Health Presented by EDS provider field consultants and representatives from each MCO	This session provides an overview of mental health policy and billing guidelines. An EDS provider field consultant will lead the opening session, and each risk-based managed care behavioral health organization will present a one-hour individual session related to its specific mental health policy and billing guidelines. See the session layout for specific dates and times.
NDC Billing Presented by EDS provider field consultants	This session provides information on the National Drug Code requirements that was implemented on August 1, 2007, for professional claim types. The session addresses billing procedures and the NDC-related edits that appear on the remittance advice.
Pre-Admission Screening and Resident Review (PASRR) Presented by EDS provider field consultants	This session discusses an overview of the Pre-Admission Screening and Resident Review process, including claim submission guidelines. This session is ideal for community mental health centers (CMHCs) and Diagnostic and Evaluation Teams.
Pharmacy Presented by EDS pharmacy representatives and representatives from each MCO	This session includes topics such as pharmacy points of contact, claim submission and processing, and other key points related to pharmacy benefits management for traditional Medicaid members. The session also provides the most up-to-date information about the new edits and audits related to the Mental Health Quality Advisory Committee and changes to Medicare D pharmacy coverage for 2008. An EDS provider field consultant will lead the opening session. Each MCO will present a one-hour individual session that includes information about its claim and PA requirements.

Table 1 – Session Descriptions

Session Name	Description
Post-Payment Auditing Practices in the IHCP Presented by Surveillance and Utilization Review representatives	This session is designed to educate providers about the auditing efforts made by the OMPP through the Surveillance and Utilization Program and the Payment Integrity Initiative. The session focuses on the policies and procedures of auditing activities and provides information on standard guidelines and procedures developed to report findings.
Prior Authorization (PA) Presented by Prior Authorization Unit representatives	This session provides an overview of PA policies and procedures. The session presents a summary of services and supplies that require PA, methods of submitting a PA, and an overview of the administrative review and hearings processes.
Prior Authorizations of Traditional Medicaid Home Health Services Presented by representatives from the Family and Social Services Administration (FSSA) Division of Aging	This session provides information about the PA process, sources of PA information, including regulations and guidelines, description of the home health benefit, types of home health agency services and limitations, member and caregiver indicators (family situation), and key issues.
Provider Enrollment and the National Provider Identifier (NPI) Presented by representatives from EDS Provider Enrollment	This session provides an overview of the provider enrollment process and procedures for maintaining the accuracy of the provider profile. Attention will be given to the new enrollment and maintenance forms and the process for obtaining and reporting the NPI.
Prudent Rx Presented by representatives from the FSSA Pharmacy Division	This session includes an overview of pharmacy auditing for traditional Medicaid. This includes discussions on Concurrent Auditing, Central Script Review, and On-site Audits.
Restricted Card Program Presented by Medical Policy Department representatives	This session focuses on maximizing claims payment of services and prescriptions for members who are in the Restricted Card Program (RCP). Topics include: checking eligibility to determine if the member is restricted, the role of the primary care physician, addition and removal of providers to a member’s lock-in list, referral procedures, and RCP claims submission guidelines.
Spend-down Presented by EDS provider field consultants	This session contains information about the automated spend-down process. The session includes spend-down guidelines, eligibility verification systems, remittance advice, and other key points related to the automation of spend-down.
Third Party Liability (TPL) Presented by EDS provider field consultants	This session provides information about TPL claims identification, initiating file updates, claim denials, crossover, TPL, and replacement policy considerations. This is a very informative session and is ideal for all providers.
Transportation Presented by EDS provider field consultants and representatives from MTM and LCP	This session provides an overview of transportation billing guidelines. An EDS provider field consultant will lead the opening session, and subcontractors for the MCOs will present one-hour individual sessions. See the session layout for specific dates and times.

Table 1 – Session Descriptions

Session Name	Description
<p>UB-04 Presented by EDS provider field consultants and representatives from each MCO</p>	<p>This session provides an overview of the completion instructions for the UB-04 claim form. Inpatient and outpatient billing guidelines will also be discussed. An EDS provider field consultant will lead the opening session. Each MCO will present a one-hour individual session that includes information about the UB-04 claim form and PA requirements. See the session layout for specific dates and times.</p>
<p>UB-04 Roundtable Facilitated by EDS provider field consultants and representatives from each MCO</p>	<p>This session is a question-and-answer opportunity for providers who submit claims on a UB-04 claim form.</p>
<p>Vision Roundtable Facilitated by representatives from each managed care vision contractor</p>	<p>This session will feature representatives from OptiCare, Vision Service Plan (VSP), and the MDwise delivery systems who will provide useful information to vision providers. A question-and-answer period will follow.</p>
<p>Waiver Billing/CA PRTF and MFP Demonstration Presented by EDS provider field consultants</p>	<p>This session is oriented to potential and current Home- and Community-Based Services (HCBS) waiver providers and includes an overview of the Indiana waiver program. Topics include: member eligibility, provider enrollment, billing, and common claim denial reasons. Information will also be provided on the Community Alternatives to Psychiatric Residential Treatment Facility (CA PRTF), and Money Follows the Person (MFP) Demonstration Grant waivers. This session is specifically oriented to all waiver providers and case managers billing waiver program services.</p>
<p>Web interChange – Advanced Presented by EDS provider field consultants</p>	<p>This session provides information about the administrator function that allows providers to assign access to their office staff; change passwords; create, maintain, and delete users or user groups; and view the group report. This session demonstrates how to use the claim void and replacement features, online PAs, TPL updates, and bill crossover claims. This session is ideal for the individual who performs the administrator function within a provider office.</p>
