Common Procedure Coding System Codes****Overview**

The purpose of this bulletin is to notify providers of the coverage determinations for the new 2009 Annual Healthcare Common Procedure Coding System (HCPCS) codes. The Indiana Health Coverage Programs (IHCP) has reviewed the new 2009 annual HCPCS codes to determine coverage and billing guidelines. This bulletin includes the following information:

- *Table 1:* A listing of the new alphanumeric Current Procedural Codes Terminology (CPT®) codes for the 2009 annual HCPCS update by procedure code, description, allowed modifiers, and program coverage determination.
- *Table 2:* A listing of the new modifier codes for the 2009 annual HCPCS update by modifier, description, type, and effective date.
- *Table 3:* A listing of the codes that are deleted and the replacement codes for 2009.
- *Table 4:* A listing of the new codes that are currently under review by the IHCP for coverage. Claims will deny for Explanation of Benefit (EOB) code 4021 – *Procedure code is not covered for the date of service for the program billed* until program coverage is determined. Updates to coverage determinations will be published in future bulletins and banners.
- *Table 5:* A listing of new codes that are currently under review by the IHCP for pricing. Claims will deny for EOB code 4014 – *No Pricing on File* until a rate is established. Updates to rates will be published in future bulletins and banner pages.
- *Table 6:* A listing of the outpatient radiology codes billed on the UB-04 claim form. The rates for these codes will be published in a future bulletin.

New HCPCS Codes

The new 2009 annual HCPCS codes in this bulletin are identified by code, description, and coverage. The IHCP is advising providers of these determinations so that the appropriate codes can be billed beginning for dates of service on or after January 1, 2009. Description changes have not been published in this bulletin. The 2009 HCPCS changed codes are available for download on the following Web site: <http://www.cms.hhs.gov/HCPCSReleaseCodeSets/ANHCPCS>.

These codes have been added to the IndianaAIM claims processing system and fees are posted on the IHCP Web site at http://www.indianamedicaid.com/ihcp/Publications/MaxFee/fee_schedule.asp, with an effective date of January 1, 2009. Providers may bill these codes for dates of service on or after January 1, 2009. The standard global billing procedures and edits apply when using the new codes.

*Note: As used in Table 1, **noncovered** indicates that the IHCP does not cover the service described in the code; **nonreimbursable** indicates that the service described in the code is either billable under another code, or is part of a global service.*
