## To dental providers

### **Revision: Dental cap increased to \$1,000**

Information in this bulletin supersedes information in BT201052. Effective January 1, 2011, the dental cap will be increased to \$1,000 per calendar year. All covered dental services will count toward the new cap limit, including all emergency dental services.

This change affects all adults age 21 or above in all Indiana Health Coverage Programs (IHCP), including traditional Medicaid, Hoosier Healthwise, and *Care Select*.

Additional information will be available in the *IHCP Provider Manual*. The Office of Medicaid Policy and Planning (OMPP) appreciates your cooperation and your continued participation as providers in the IHCP.
