Extension for reduction in reimbursement for dental services

As previously published in Indiana Health Coverage Programs (IHCP) provider bulletin [BT201012](#), dated April 15, 2010, the IHCP implemented a 5 percent reduction in reimbursement for dental services with “from” dates of service on or after April 1, 2010, through June 30, 2011. This reimbursement reduction will be extended for all dental claims with dates of service through June 30, 2013.

Providers can refer to the original IHCP bulletin for further information on the rate reduction.

The OMPP appreciates your cooperation and your continued participation as providers in the IHCP.
