INDIANA HEALTH COVERAGE PROGRAMS    BT201136    JULY 26, 2011

## Please note change in process for determining rate reduction for nursing facilities

This bulletin modifies [BT201119](#), published May 24, 2011. The 5% rate reduction for nursing facility claims remains effective July 1, 2011, through June 30, 2013. However, the process by which this reduction is calculated and implemented has changed.

Prior to January 1, 2012, the Office of Medicaid Policy and Planning's (OMPP's) rate-setting contractor, Myers and Stauffer, LC, will calculate new rates, using established procedures, in accordance with *405 IAC 1-14.6*. The new rates, with the 5% reduction, will be available on the [Public Notices page](#) of the Myers and Stauffer LC Web site at [in.mslc.com](#). Claims for dates of service on or after January 1, 2012, will be paid at the new rate with the 5% reduction in place. The paid amounts on all claims for dates of service July 1, 2011, through December 31, 2011, will be adjusted by HP to implement the 5% rate reduction.

All other elements of BT201119 remain in effect.
