INDIANA HEALTH COVERAGE PROGRAMS

BT201141

AUGUST 16, 2011

Annual update of the International Classification of Diseases

The annual update of the *International Classification of Diseases, Ninth Revision, Clinical Modification* (ICD-9-CM) is effective for the Indiana Health Coverage Programs (IHCP) beginning October 1, 2011. The new, revised, and discontinued codes may be viewed at the [Centers for Medicare & Medicaid Services \(CMS\) website](#) at cms.gov.

To ensure Health Insurance Portability and Accountability Act (HIPAA) compliance, the 90-day grace period no longer applies to ICD-9-CM updates. Providers must use the appropriate ICD-9-CM diagnosis and procedure codes that are valid for the date of service. Codes not valid for the date of service will deny. The new ICD-9-CM diagnosis and procedure codes are billable and reimbursable for dates of service on or after October 1, 2011.

The ICD-9-CM diagnosis codes in the table on the following page will be added to Table 8.33 – Emergency Department Diagnosis Codes in the [IHCP Provider Manual, Chapter 8, Section 2](#). These codes are effective for dates of service on or after October 1, 2011.
