INDIANA HEALTH COVERAGE PROGRAMS BT201241 OCTOBER 30, 2012

Recertification eliminated for ICF/ID and residential care facility providers

Chapter 4, Section 3, of the *Indiana Health Coverage Programs Provider Manual* instructs intermediate care facilities for the intellectually disabled (ICF/ID, specialty 031, formerly ICF/MR) and residential care facilities (specialty 033) to recertify enrollment in the Indiana Health Coverage Programs (IHCP) each year. This bulletin announces a rule change that eliminates the requirement for these facilities to undergo yearly recertification.

The final rule published in the *Federal Register* modified 42 CFR 442.15 to eliminate the requirement for time-limited agreements for ICF/ID and residential care facility providers. Providers no longer need to recertify each year by submitting a new provider agreement. Providers are still subject to enrollment revalidation requirements.
