Fee-for-service reimbursement increases related to hospital assessment fee to be recouped

For the period May 1, 2013, through June 30, 2013, the Office of Medicaid Policy and Planning (OMPP) will recoup a portion of the increased reimbursement for outpatient hospital claims. This recoupment will result in hospitals receiving outpatient reimbursement at the Indiana Health Coverage Programs (IHCP) fee schedule amounts for dates of service within those two months and is necessary to remain within the federal upper payment limit for outpatient hospital services.
