

IHCP *bulletin*

INDIANA HEALTH COVERAGE PROGRAMS BT201329 JUNE 28, 2013

Update: Nursing facility rate reduction extended

As previously published in *Indiana Health Coverage Programs (IHCP) Bulletin* [BT201119](#), the IHCP implemented a 5% reduction in reimbursement paid to nursing facilities effective July 1, 2011, through June 30, 2013. **This reimbursement reduction will be extended through December 31, 2013. Further, effective January 1, 2014, through June 30, 2015, the IHCP is implementing a 3% reduction in reimbursement paid to nursing facilities.**

These reductions will apply to nursing facility providers reimbursed under *405 IAC 1-14.6*. The reductions apply to the Medicaid *per diem* rate before any patient liability or third-party liability (TPL) reduction is applied to the claim. The July 1, 2013, proposed rates, with the 5% reduction, and the January 1, 2014, proposed rates, with the 3% reduction, are currently available on the Public Notices page of the state's rate-setting contractor, [Myers and Stauffer LC](#), at [in.mslc.com](#). These changes will be applied to all Medicaid claims, including Medicare crossover claims.

Providers should refer to aforementioned IHCP bulletin for information about the original rate reduction.
