INDIANA HEALTH COVERAGE PROGRAMS BT201404 FEBRUARY 7, 2014

Copays no longer apply for members in the Indiana Breast and Cervical Cancer Program

In compliance with federal regulation 42 CFR 447.56, effective January 1, 2014, copayments no longer apply for members in the Indiana Breast and Cervical Cancer Program. Providers should not pursue collection of a copayment from these members. Copayments already collected for dates of service on or after January 1, 2014, must be immediately refunded to the member. Providers may not delay the refund process pending the adjustment of claims.

Claims with dates of service from January 1, 2014, through March 10, 2014, will be mass adjusted to ensure that claim payments reflect the elimination of the member copayment. Mass-adjusted claims will appear on the March 18, 2014, Remittance Advice (RA) and will be identified with internal control numbers (ICNs) that begin with region code 56. If the adjustment finds a claim was underpaid, the net difference will be paid and reflected on the RA.
