MRT Copy Centers added as IHCP eligible providers

Effective June 25, 2014, the Indiana Health Coverage Programs (IHCP) will expand its list of eligible providers to include Medical Review Team (MRT) Copy Centers. This new provider type and specialty will provide an opportunity for a business that only copies medical records for MRT Medicaid Disability eligibility determination to enroll as an IHCP provider with a more definitive type and specialty designation. These providers will be classified using the following provider type and specialty code: Type 34 – MRT Copy Center, specialty code 366 – MRT Copy Center.

MRT Copy Centers should see [Chapter 8: Billing Instructions](#) of the *IHCP Provider Manual* for billing guidance.
