## Notification of Pregnancy reimbursed under Hoosier Care Connect

As announced in *Indiana Health Coverage Programs (IHCP) Bulletin* [BT201510](#), the Indiana Family and Social Services Administration (FSSA) is implementing a new program, Hoosier Care Connect. The Notification of Pregnancy (NOP) form and process, as described in *IHCP Bulletin* [BT201425](#), will apply to members enrolled in Hoosier Care Connect.

Effective April 1, 2015, prenatal care providers that electronically complete and submit the NOP in adherence with IHCP guidelines using Web interChange may be eligible for a \$60 incentive payment for Hoosier Care Connect members. The requirements for the Hoosier Care Connect NOP process are the same as for Hoosier Healthwise and the Healthy Indiana Plan. Accordingly, to be eligible for an incentive payment, the following conditions must be met:

- The pregnant woman must be enrolled with a managed care entity (MCE).
- The woman's pregnancy must be less than 30 weeks gestation at the time of the office visit on which the NOP is based.
- The NOP must be submitted via Web interChange no more than five calendar days from the date of the office visit on which the NOP is based.

To receive the NOP incentive payment, providers must bill the Hoosier Care Connect MCE with which the member is enrolled using Current Procedural Terminology (CPT<sup>®1</sup>) code 99354 with modifier TH. The date of service (DOS) on the NOP claim should be the date of the office visit on which the NOP is based.

For more information on the NOP process, see *IHCP Bulletin* [BT201425](#).
