IHCP updates coverage for dental behavior management services

Effective July 1, 2015, the Indiana Health Coverage Programs (IHCP) will limit reimbursement of Healthcare Common Procedure Coding System (HCPCS) code D9920 – *Behavior management, by report* to once per member, per date of service. This change applies to dates of service (DOS) on or after July 1, 2015.

Documentation supporting the medical necessity, type, and appropriateness of dental behavior management services must be retained in the member's chart and is subject to postpayment review.

This change applies to all IHCP programs, subject to the limitations under certain benefit plans. Questions related to the Healthy Indiana Plan (HIP) program should be directed to DentaQuest toll-free at 1-855-453-5286.
