FSSA announces approval of amendment to the Medicaid Rehabilitation Option program

On September 7, 2016, the Centers for Medicare & Medicaid Services (CMS) approved the Indiana Family and Social Services Administration (FSSA) request to amend the Indiana State Plan to add psychosocial rehabilitation services as a covered service under the Medicaid Rehabilitation Option (MRO) program. The approved amendment allows reimbursement for the psychosocial rehabilitation (clubhouse) services outlined in the *Indiana Health Coverage Programs (IHCP) Bulletin BT201618* for dates of service (DOS) on or after August 15, 2016. The CMS-approved date (August 15, 2016) supersedes the May 1, 2016, coverage date referenced in *BT201618*. All other information in the bulletin remains unchanged.

Questions about psychosocial rehabilitation services should be directed to the FSSA Division of Mental Health and Addiction (DMHA) at dmhaclubhouse@fssa.in.gov.
