IHCP announces reprocurement effort for Hoosier Care Connect program

The Indiana Family and Social Services Administration (FSSA) Office of Medicaid Policy and Planning (OMPP) is working on a request for proposal (RFP) to reprocure the Hoosier Care Connect contract, with a planned contract start date of April 1, 2021. The OMPP remains focused on improving health outcomes, reducing administrative burden for members and providers, and the overall alignment of programs and benefits consistent with FSSA's mission, vision, and values.

As part of the reprocurement, interested entities will be required to propose how they would operate a statewide Dual Special Needs Plan (DSNP) within 1 year of the effective date of the contract. This requirement will necessitate adequate provider network coverage and the ability to enroll members in every county. Entities planning to bid on this contract should continue to monitor the Indiana Department of Administration (IDOA) website at in.gov/idoa for release of the RFP.
