**To: All Indiana Health Coverage Programs Pharmacy Providers**

**Subject: Updated and Revised Listings of Drug Efficacy Study Implementation/Less Than Effective Drugs and Rebating Drug Manufacturers**

*Note: The information in this bulletin is not directed to those providers rendering services in the risk-based managed care (RBMC) delivery system.*

## Overview

Accompanying this bulletin is a comprehensive, updated, and revised Indiana Health Coverage Programs (IHCP) Drug Efficacy Study Implementation (DESI)/less than effective (LTE) drug listing (Table 1.1) and a rebating drug manufacturers listing (Table 1.2) as provided by the Health Care Financing Administration (HCFA). These lists are pertinent to pharmacies providing services to IHCP members and should be incorporated into the appropriate sections of the *Indiana Health Coverage Programs Provider Manual*.

## DESI/LTE List

Federal law prohibits payment under the IHCP for any drug that is considered by the Food and Drug Administration (FDA) as being less than effective (LTE) or identical, related, or similar (IRS) to an LTE drug. Attached is a revised list of **all** of these drugs. This DESI/LTE list supersedes the list that was published in the *Indiana Health Coverage Programs Provider Manual, Chapter 9, Appendix B*, dated September 1999. The complete list should be inserted into the *Indiana Health Coverage Programs Provider Manual*, and any previously issued listings should be discarded.

## Rebating Drug Manufacturers List

The rebating drug manufacturers list contains information about the manufacturers that have signed agreements with HCFA to pay rebates on pharmaceutical products dispensed to IHCP members. The list is referenced by the manufacturer's labeler code (the first five digits of the National Drug Code), and contains the name of the manufacturer and the starting date of participation in the federal rebate program. This is a complete list of all participating drug manufacturers as of March 1, 2001. Providers should insert this new list into the *Indiana Health Coverage Programs Provider Manual*.
