

PROVIDER BULLETIN

BT200154

DECEMBER 28, 2001

To: All Pharmacy Providers

Subject: Updated and Revised Federal Upper Limits List

Note: The information in this bulletin is not directed to those providers rendering services in the risk-based managed care (RBMC) delivery system.

Overview

The information provided in this bulletin contains the newly developed list of federal upper limits (FUL) for multiple source drugs that meet the criteria set forth in Code of Federal Regulations 42 CFR 447.332 and '1927(e) of the *Social Security Act*, as amended by Omnibus Budget Reconciliation Act (*OBRA*) 1993.

The new rates in the FUL list become effective January 22, 2002, and apply to pharmacy claims submitted with dates-of-service of January 22, 2002, and later.

Please incorporate the list into the appropriate section in *Chapter 9* of the *Indiana Health Coverage Programs Provider Manual*. This list has priority over, and replaces, any prior FUL listing.

If there are any questions about the FUL list or the text of this bulletin, please contact the EDS Pharmacy Services Point of Service (POS)/ Prospective Drug Utilization Review (Pro-DUR) Helpdesk at 1-877-877-5182.
