INDIANA HEALTH COVERAGE PROGRAMS NL201202 FEBRUARY 2012

Doing business with Medicaid

The second ICD-10 Provider Readiness Survey is now available on indianamedicaid.com

Help us help you! The International Classification of Diseases, 10th Revision (ICD-10), is set to implement October 1, 2013. The Indiana Health Coverage Programs (IHCP) continues to prepare – and help providers and vendors prepare – by surveying providers to determine their readiness to implement ICD-10. Take a few minutes today to provide feedback through the [IHCP's ICD-10 survey](#), available via indianamedicaid.com. The survey will be available for completion through February 21, 2012.

Seventy percent of all IHCP trading partners have converted to HIPAA 5010

As of January 25, 2012, 70% of all Indiana Health Coverage Programs (IHCP) trading partners had successfully converted to *Health Insurance Portability and Accountability Act* (HIPAA) version 5010. All trading partners must be converted by March 31, 2012.

Trading partners that have not yet converted must:

- Submit a request to continue submitting claims in version 4010A1 (for details, see [NL201201](#)).
- Verify that your software vendor has completed testing for HIPAA 5010.
- Submit an updated [Trading Partner Profile](#).
- Submit an updated [Trading Partner Agreement](#).

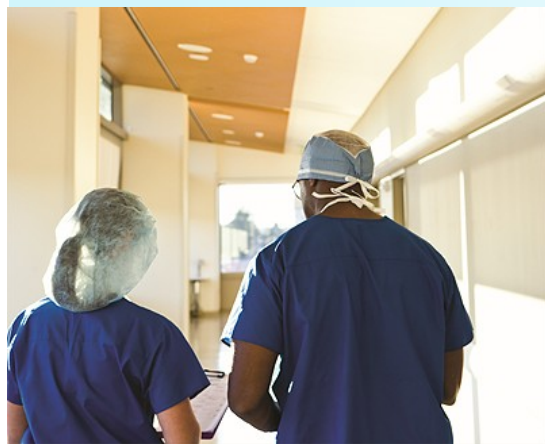

After the IHCP receives your Trading Partner Profile and Agreement, you will be converted to HIPAA 5010. If you have questions, contact the EDI Solutions team at INXIXTradingPartner@hp.com.

NCPDP D.O: CMS grace period ends March 31, 2012

If you have not transitioned to National Council for Prescription Drug Programs (NCPDP) D.O, do it soon! All providers must have transitioned to NCPDP D.O by March 31, 2012; as of January 24, 2012, approximately 7% of Indiana Health Coverage Programs (IHCP) providers were still submitting claims in version 5.1 format.

Please see the updated [payer sheet](#) on indianamedicaid.com (General Provider Services > Electronic Data Interchange (EDI) Solutions > Companion Guides) for information about required fields; and see [NL201111](#) for specific billing instructions. If you have questions, email INXIXPharmacyD0@hp.com.

Provider education

Two first-quarter IHCP workshops are now virtual training sessions

The Indiana Health Coverage Programs (IHCP) workshops scheduled for March 6, 2012, in East Chicago and March 28, 2012, in Evansville will now be conducted via HP Virtual Room. With Virtual Room training, participants follow the presentation on their computers while listening to the presenter by telephone. Only 125 telephone lines will be available, so register early – visit the [Provider Education page](#) of indianamedicaid.com. HP sessions at online and on-site seminars include Provider Enrollment, IHCP Updates, Manually Priced Claims Billing, and Finance. The managed care entities (MCEs) will also present updates about Indiana Care Select, and MDwise Hoosier Healthwise and Healthy Indiana Plan (HIP). For information, visit the [Provider Education page](#).

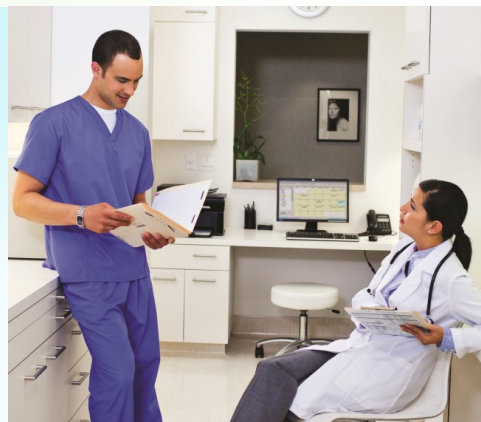

April 28 is the DEA's fourth National Prescription Drug Take-Back Day

The fourth Drug Enforcement Administration (DEA) National Prescription Drug Take-Back Day will be Saturday, April 28, 2012, from 10 a.m. – 2 p.m., providing consumers in every state with a safe means to dispose of unwanted, unused prescription medications. The take-back service is free and anonymous, with no questions asked. Sites will accept tablets, capsules, and all other solid dosage forms of unwanted medication. The DEA will provide an online drug collection site locator on the [DEA website](#) at justice.gov/dea/ in March 2012. Consumers disposed of 498.5 tons of unwanted medication during the first three DEA National Prescription Drug Take-Back Days.

Medicaid providers receive more than \$42 million in EHR reimbursements

Have you signed up for the Indiana Medicaid Electronic Health Records (EHR) Incentive Program? As of February 1, 2012, Indiana Medicaid providers have received more than \$42 million in incentive reimbursements through the EHR incentive program, which provides financial incentives for eligible professionals and hospitals demonstrating meaningful use of certified EHR technology. For more information and to find out whether you're eligible, visit the [EHR page](#) at indianamedicaid.com.
