INDIANA HEALTH COVERAGE PROGRAMS BT201519 MARCH 31, 2015

Hoosier Care Connect approved

The Family and Social Services Administration (FSSA) is pleased to announce the Centers for Medicare & Medicaid Services (CMS) has approved implementation of Hoosier Care Connect. This program was previously introduced in *Indiana Health Coverage Programs (IHCP) Bulletin [BT201510](#)*. This approval is an important step forward in better managing the health and outcomes of Indiana Medicaid's aged, blind, and disabled populations.

The IHCP is moving forward with managed care entity assignments effective April 1, 2015, for all eligible enrollees who selected a health plan by March 25, 2015. All current IHCP members eligible for Hoosier Care Connect will be transitioned to the program by July 1, 2015, according to the implementation time line described in *BT201510*. Wards of the State, foster children, former foster children, or those receiving adoption assistance may voluntarily enroll in the program beginning May 1, 2015.
